**Re: The Chris Banta Trio**

As a member of the Greater Conejo Valley Chamber of Commerce for almost 2 years, The Chris Banta Trio has regularly performed at many of our Chamber events including monthly mixers and our largest networking event, *Mixpo*. They are professional, excellent to work with and our members have enjoyed their music. In addition, we have referred them for personal events. We would, and will continue to recommend The Chris Banta Trio to perform at any event that requires high quality jazz musicians.

Please feel free to contact me for more information. You will add talent to your Jazz listing with The Chris Banta Trio.

Best wishes,

**Heather Macaulay**
